

THE ANDERSON SATURDAY "THE BLAZING SEA"

Positively the most sensational picture ever in Anderson. See the SHIP BURN AT SEA. Also the big FACTORY FIRE. A grand production.

"Home Breakers"

This is a Keystone Comedy in two parts. It is a special release. We are offering this picture for your approval. It is the best the Mutual people put out.

"The Man From Home" to Be Presented Here Chautauqua Week

WELLS WATSON GINN AND THE CHARACTERS HE IMPERSONATES IN "THE MAN FROM HOME."

A BLIND man sitting in a Chautauqua audience in Michigan last summer, following Wells Watson Ginn's rendition of "The Man From Home," declared that had he not been informed otherwise he would surely have thought that the play was being produced by a group of actors instead of by one man. Each character with its distinctive quality of voice became real. It is doubtful, however, if the play was any more real to this blind man than to those who could see, for he missed the expression of face and the gestures and other features of the impersonation which still further distinguish each one of the characters which Mr. Ginn portrays. Best of all, Booth Tarkington, one of the authors of the play, has heard Mr. Ginn give the interpretation of same and expresses his delight in a personal letter to him. On more than 100 Chautauques last season, on a tour beginning in Mississippi and extending on up into Illinois, Mr. Ginn gave this play, and it was conceded to be a leading feature of the program. On June 5 a communication to the Redpath Bureau was received from Wisconsin, Miss. signed by five people. It read in part as follows: "Our people were delighted with Mr. Wells Watson Ginn. 'The Man From Home' was one of the most attractive entertainments of our Chautauqua, and we wish it could be repeated here. Competent judges pronounce it one of the best readings that they had ever heard." Mr. Ginn is to appear here on the big Redpath Chautauqua program.

REVIEW OF MEETING PIEDMONT PRESBYTERY

SESSION JUST ENDED AT
VARENNES CHURCH WAS
IMPORTANT ONE

THREE QUESTIONS

Of Particular Importance Engaged
the Attention of the Pres-
bytery.

(Contributed.)
The sessions of the Presbytery of Piedmont, which have just been held at the Varennes church in this county, were among the most important that have ever been held in the history of the organization. The exercises in celebration of the centennial were, of course, very interesting and impressive, but aside from this programme there was enough spice introduced into the regular proceedings to make it count as "an interesting meeting."

There were three things which challenged the attention of the body to the extreme. These were: The matter of removal of Chicora College from Greenville, the retaining of trustees for Davidson College, and the relation of the Presbytery to the Synod's committee on home missions. It is known that there are some members of the Piedmont Presbytery who feel that the grouping of the educational institutions in one center is greatly to be desired from the standpoint of saving of running expenses greater efficiency in teaching force, and other considerations. This contingency, introduced a resolution that the college at Greenville be removed to Clinton and be placed beside the Presbyterian College of South Carolina. It was contended that the controlling Presbyterians had already declared it impracticable to continue at the present site in Greenville, and that no available site could be secured within the limits or in the suburbs of Greenville. The people of Clinton had suggested that they would be glad to offer a site, a nice contribution and the continued support of the institution. This was strongly pressed, but others contended that Greenville had put money into the Chicora plant and that the people of Greenville were entitled to have their money remain in their city. It was decided to instruct the board of trustees that so far as Piedmont Presbytery is concerned, that the college should remain in Greenville.

In the matter of the trustees of Davidson College, it was decided to retain control of that institution. Mr. W. C. Smith of Easley was elected to succeed his brother, the late Dr. R. F. Smith. Dr. Frazier of Anderson is the other member of the board of trustees from Piedmont Presbytery.

The Presbytery voted to spend its energies and resources within the bounds of the Presbytery when it comes to the department of home missionary work. The action was taken after much discussion, and after it appeared to the Presbytery that the work of the Presbytery is too pressing to allow it to dissipate its energies.

Other matters of only routine order were carried out. The time and place for next meeting was fixed as September 21, at Liberty, S. C. The commissioners to the general assembly were selected yesterday and were as follows: Ministerial commissioner, Rev. Daniel P. Junkin, of Piedmont, with Rev. D. W. Dodge of Anderson as his alternate; Ruling Elder commissioner, Mr. J. M. Gilles of the First church Anderson, and Mr. W. T. Hammond of Sandy Springs as his alternate. The assembly will convene in the First Presbyterian church, Newport News, Virginia, on Thursday, May 29, at 8 o'clock. This body is the highest court of the Southern Presbyterian church. Last year the assembly met in Kansas City, Mo., and the representatives from this Presbytery were Rev. G. M. Wilcox, of Walhalla, and Ruling Elder J. L. Sherard of the Central church Anderson.

Altogether this was a great meeting of the Presbytery and the hospitality of the people of Varennes community will long be remembered. The dinners were served at the church each day and were sumptuous and tasteful.

MOTORCYCLE RACE WILL END AT NOON

Goes to Person Receiving Most
Votes in the Con-
test.

The contest for the Liggett and Meyer Tobacco Company's motorcycle will close today at noon. The voting for the past week has been unusually heavy, and there are doubtless many candidates who are holding their votes until the last minute, and will then make a big rush to the front with their large supply. If this is the case, the vote will have to be polled at the Owl Drug company, for early today, the boxes are all collected and only those at the Owl Drug store will be left open until noon. These votes will then be counted, and the winner will be declared some day next week. The machine will be given as soon as the returns from the last count come back from Richmond.

S. S. CONVENTION AT HONEA PATH

INTERESTING MEETING AD-
JOURNED THURSDAY
NIGHT

REV. W. C. OWEN

Field Secretary for South Carolina
Spoke on "Sunday School
Movement."

The Anderson District Sunday School Conference of the Methodist Episcopal church, South, which convened at Honea Path, S. C., on Wednesday night, April 23, adjourned on Thursday afternoon, April 29th. The entire time of the three, one on Wednesday night, and two on Thursday, was full of interest and profit to all Sunday school workers present.

The first session Wednesday night was opened with a song and prayer service, led by Rev. J. H. Danner of Pelzer. Rev. W. C. Owens, the field secretary of both the South Carolina, and upper South Carolina Conference of the Methodist church, was the principal speaker on Wednesday night. He took for his subject, "The Sunday School Movement." His remarks were timely and showed that he was well versed in the work of the Sunday schools. This was Rev. Owens' first appearance in the Anderson district, he having succeeded Mr. J. M. Way at the last session of the South Carolina Conference. He made a very favorable impression and none seem to have any doubt of his not being able to fill the position he has taken with dignity to himself and honor to the church and cause he represents.

The morning session on Thursday, April 29th, convened at 9 a. m. Rev. W. F. Berlin of Orrville conducted the opening devotional services.

The Attitude of the Sunday School to the Social Life of the Community, was the first subject. This was led by Rev. J. M. Steadman of Clemson, and also spoken to by several others during the general discussion of the subject. Rev. W. C. Owens then spoke on "The Standard of Efficiency and What It Means."

The Boy Scouts idea incorporated into our Sunday school work was the subject discussed by Rev. J. W. Spake of Anderson.

At the afternoon session J. L. Singleton of Starr conducted the devotional services. The opening subject at that session was the Sunday School Organized for Mission Work. This was led by Rev. W. M. Owings, and brought forth remarks from several others.

Dr. J. L. Stokes of Walhalla read a well prepared paper on, "Skilled Labor for the Sunday School."

The Qualifications and Opportunities of a Sunday School Teacher, was discussed by J. B. Marshall of Anderson.

Rev. W. B. Wharton of the Epworth, Orangeburg, and the Rev. D. E. Camak of the Textile Industrial Institute addressed the conference in the interest of their respective works.

Taken as a whole this conference was up to any of those formally held. The Presiding elder, Rev. T. C. O'Dell was a valuable help to the conference and his frequent short, but appreciated and beneficial talks on several of the subjects were interesting to all.

The following committee, which had been appointed at an early session:

A. M. Lander, W. S. Morrison, C. A. Suber, M. B. Dunlap, Dr. J. L. Stokes, Rev. J. L. Singleton, Dr. H. Lippo, and J. F. Anderson to act as a general committee reporting some growth in several departments of the Sunday school.

Every charge in the Anderson district was represented and the attendance was up to that of the preceding conference.

The following were nominated and elected as officers for the next year:

The presiding elder, chairman; J. B. Marshall, Anderson; S. C. District Secretary; Mrs. J. W. Spake, Anderson; S. C. Superintendent Elementary Department; Mrs. D. L. Beaty, Anderson; S. C. Superintendent Training Classes; Prof. G. S. Goodyon, Williamston, Superintendent Wesley Classes; Miss Paris Dillard, Seneca, Superintendent Home Department.

A rising vote of thanks was extended Honea Path for its kind care of the delegates.

FIRE LAST NIGHT

T. O. Anderson's Collar Factory

Slightly Damaged by Flames.
Fire last night about 9 o'clock broke out in the collar and pad manufacturing plant of T. O. Anderson, in the Blue Ridge Railroad yards, but the flames were extinguished before any serious damage had been done.

During the latter part of March this plant was practically destroyed by fire. It was rebuilt immediately and recently resumed operations.

Better be safe than sorry—Willett P. Sloan, Insurance.

Our "JITNEY" Offer—This and 5c. DON'T MISS THIS. Cut out this slip, enclose with 5c to Foley & Co., Chicago, Ill., writing your name and address clearly. CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tonic" Starts Your Liver Better Than Calomel and Doesn't Sicken or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tonic on my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tonic. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money back. Dodson's Liver Tonic is the sale of calomel because it is real liver medicine; entirely vegetable, the store can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. After you take a bottle of Dodson's Liver Tonic, you will keep your entire family feeling fine for months. Give it to your children. It is harmless, doesn't gripe and they like its pleasant taste.
